

**Contract SubLicensee Data Request Form
For MTC-Licensed TomTom MultiNet Basemap Products**

The Metropolitan Transportation Commission (MTC) has licensed TomTom North America, Inc. (TomTom), Basemap Products using a Government Enterprise License Agreement. As stated in the MTC-Tom Tom license agreement:

- Contract Sublicensees may use the TomTom Products solely to fulfill their contractual obligations with MTC.
- MTC may provide TomTom metadata and documentation of the Products to Contract Sublicensees solely to fulfill their contractual obligations with MTC.

MTC will distribute the Products to authorized Contract Sublicensees in ESRI ArcView shapefile format in North American Datum 1983 (NAD83), UTM, Zone 10, meters, unless otherwise requested by Contract Sublicensee.
